

# WELCOME APRIL SCOTT, B.S.

On May 31st we welcomed April Scott, our newest Doctoral Student. April earned her Bachelor of Arts degree from Appalachian State University in 2014. She relocated to Tennessee with her husband, and is currently working towards her Doctorate of Audiology at the University of Memphis. She will be with Alamance ENT for a full year as she finishes her degree. In her spare time, April enjoys reading, traveling, cooking, and spending time outdoors with her husband and dog, exercising, and visiting with friends. As a native North Carolinian, April is thrilled to be continuing her education in her home state.
